## Shipping Policy

### **How long does it take for me to receive my products?**

The amount of time it would take to receive your order would depend on what you are ordering and where the items are being shipped to. Actual transit time may vary based on shipping location. For an accurate estimate of when you would receive your order, please contact a member of our customer service.

### **Why do I have to pay for shipping and handling?**

Shipping and Handling are fees for the shipper to deliver your merchandise and the packaging of your order. We charge published shipping rates which are calculated based on where you live and what you order.
